FAQ

1. When is the registration period?

Monday 20 February, 2017 at 12:00 am EST through 6 March, 2017 at 11:59pm EST. After that, registration will no longer be available.

2. How do I register?

Only Consultants and above will be able to enter team information in their Associate Back Office (ABO). To register, go to the "Contest & Promotions" tab and scroll down to IsaRally.

3. Does each team need a team leader?

Yes, the team leader is responsible for team creation, team updates (edit team information in their Associate Back Office (ABO) during the registration period of 20 February - 6 March 2017), creating weekly goals, and facilitating Team communication. The team leader also serves as the main point of contact for all IsaRally updates from Isagenix® corporate Team members.

4. Do Preferred Customers' orders count towards my point totals?

Preferred Customers' purchase does not count towards the point accumulation. Also, you will not receive points for a Preferred Customer that is converted to an Associate during the contest period.

5. What happens to my points if new Associates return their initial product order?

Points will be deducted when a return is initiated.

6. Can I bring my Spouse or next kin with me on the trip?

Yes you could, if you earn a minimum of 160 points. For example, an individual must earn 80 points to qualify. If the Associate wants to bring his or her spouse, he or she must earn 160 points.

7. During IsaRally Las Vegas, when do rank advancement points show up?

Rank Advancement points show up a week in arrears (two weeks for Indonesia), Golden Circle points show up two weeks in arrears (3 weeks for Indonesia). Example: Jane Doe achieved Consultant on 7 September, which will be paid on Monday 14 September. On Monday 21 September, Jane will be able to see the point added from their Consultant promotion, even though Jane earned her advancement on Monday 7 September.

8. If I am a Singapore Associate and have a new Associate getting started with Isagenix in other market, will the points be counted?

Yes, even though this contest is available in Malaysia, Singapore and Indonesia only. If you personally help a new Associate join in another market, you will receive points.

9. What if my team wins the grand prize and have members who did not qualify? Will every team member win the grand prize?

If a team member does not contribute 80 points, that team member would not be eligible to claim the prize package. However the team members who did contribute 80 or more points will be eligible to claim the prize package.

10. How will my points be displayed?

Your individual points will be conveniently displayed in your Back Office. To view your points, log in to your Back Office and select "Contests & Promotion". You will be able to view the points you've earned under the "Reports" header. Click on the "IsaRally Report" link to pull your personal points.
