Any of your personally enrolled team members who were enrolled prior to the start of the IsaRally are off limits – these must be completely new enrollments. (See FAQs for additional details).

Success in this challenge is all about the power of duplication! Link arms with new 4PET members to generate the most volume in the contest period.

FREQUENTLY ASKED QUESTIONS

1. Is registration required and how do I register?

Registration is required for all Associates participating in the IsaRally Seoul contest. Registration is open throughout the entire contest period from 1 October 2018 to 3 February 2019. Log into your Back Office, go to the “Contests & Promotions” tab and click “Register” to enter all details.

2. Do new enrollments made by my current 4PET in the contest period count toward my qualification?

No, each member starts with a brand new 4PET at the time of the contest.

EXAMPLE OF BUILDING YOUR NEW 4PET

Building on the previous example, Barb, Sam, Mary, Sarah, Tom, and Stacy were previously enrolled before the contest began, so they do not count towards your qualification. Although, Bob was enrolled by Mary after the contest began, he still would not count towards your qualification because Mary was previously enrolled. To create qualifying volume in the contest, you enroll James as a personally enrolled team member. James enrolls Ann. Ann enrolls TJ. TJ enrolls Katie. All of the volume generated by these new members during the contest will count towards your qualifying volume.
